RE: Rezoning Application

Properties Tax Parcels: 5069-011 & 282

Property Address: 1600 & 1642 Hwy 78, Grayson GA 30017

Dear Mr. Thompson:

Please accept this letter as an official request to withdraw our applications for the above referenced properties. Instead of making changes and creating more confusion during the rezoning process, the owners felt it is better to wait and confirm their direction prior to proceeding. We really appreciate all the help and communication to date! Hope to have a more definite plan of action in the future.

Sincerely,

Jeff Timler
