

2022 – 2023 Benefits Enrollment Guide

Welcome to your new Benefits Enrollment Guide. This guide is your summary of the benefit options that are available to eligible employees of the City of Snellville. Each benefit is designed to protect your health and well-being as well as provide valuable financial protection.

Each section of the Benefits Enrollment Guide is structured to provide you with plan highlights as well as detailed, descriptive instructions to assist you in navigating through the web-based enrollment portal.

While the Benefits Enrollment Guide is an important component in the benefit communication process, your dedicated NFP service team continues to provide annual enrollment meetings in addition to being available for questions and concerns regarding benefits throughout the plan year.

Please review the plans contained in the Benefits Enrollment Guide and see how these plans can work for you and your eligible dependents. Your participation in the plans is voluntary. The benefit plans have been chosen to provide a continuation of protection that complements the City of Snellville's leave policies and retirement plans. The plan year is in effect from December 1, 2020 to November 30, 2021.

This Benefits Enrollment Guide is intended for orientation purposes only. It is an abbreviated overview of the plan documents. Please refer to the Certificate Booklet (the contract) available from the plan carriers for complete details. Your Certificate Booklet will provide detailed information regarding copayments, coinsurance, deductibles, exclusions and other benefits. The certificate booklet will govern should a conflict arise relating to the information contained in this summary. This summary does not establish eligibility to participate in or receive benefits from any benefit plan.

NOTICE: If you (and/or your dependents) have Medicare or will become eligible for Medicare in the next 12 months, a Federal law gives you more choices about your prescription drug coverage. Please see page 18 for more details.

HSA Memo

The City of Snellville's Health Savings Account will **continue** to be offered through Optum Bank through UHC for 2022. The health savings account (HSA) allows you to set aside funds on a tax-free basis for qualified medical expenses now or after you retire. HSAs roll over from year to year and may be invested and earn tax-free investment dollars. They are a great way for you to save money for health care costs now or in the future, as well as become more involved in your health care decisions.

Considering an HSA may save money in the short and long-term by:

- Deducting 100% of your HSA contributions from your taxable federal income if you make contributions outside your payroll deductions.
- Having the money in your HSA earn interest and/or gains on a tax-free basis.
- Paying no penalties or taxes when you use your HSA to pay for qualified medical expenses.
- Having a qualified high-deductible HSA-eligible health insurance plan, which typically has a lower premium than a plan with a lower deductible.
- Owning the money in the HSA, so you can keep it if you move, change jobs or locations. Like an IRA, the account belongs to you, not your employer. But unlike an IRA, your employer can contribute to your HSA.
- In addition, you may invest your funds. You must have a minimum of \$2,000 in your HSA before you invest funds.

Each pay period the City of Snellville will contribute to your HSA plan the amounts listed below:

- Employee Tier – \$20.00
- All other Tiers – \$40.00

The total HSA contributions* for 2022 cannot exceed the below amounts:

- Individual - \$3,850
- Family - \$7,750

*The maximum you can contribute to an HSA in one year is set by the IRS. If you are age 55 or older, you can contribute an additional catch-up contribution of \$1,000. It is your responsibility to make sure your HSA contributions plus your employer's contributions do not go over the IRS maximum amount.

When you call the Aetna Resources For Living EAP, a trained professional will confidentially help you assess your needs and provide referrals to local counselors at your request. We have community and professional services available, such as psychologists, marriage and family therapists and substance abuse counselors, to help you balance your work and home life.

We're available whenever you are. We're here 24 hours a day, 7 days a week either by phone or online. If it's not convenient to call, you can find resources and self-help tools for your personal, family and work-related concerns on the EAP website.

There is no charge to you or your family for using the service. If you choose to use any referrals to additional resources, their charges, if any, would be your responsibility. Check your company benefits plan for coverage of those additional services.

Don't let a health issue strain your finances.

Even with great health insurance, most people have a deductible and copays—which means a health issue could quickly run up unexpected bills.

Brella's supplemental health insurance works on top of your health insurance and pays cash benefits you can use toward your deductible or anything else you need.

*Source: 2020 Kaiser Family Foundation Health Benefits Survey and Healthcare Bluebook. The out-of-pocket costs are estimates only and are calculated at 30% of the total average medical cost, assuming that average health insurance plan covers approximately 70% of the expense. Your health insurance coverage may be more or less.

Brella pays cash benefits if you're diagnosed with any of 13,000 covered conditions.

How it works—

File a claim if you're diagnosed with a covered condition. If approved, you'll get a benefit payout within 72 hours. Use the funds for anything you need. Choose your benefit amounts when you enroll.

How Brella helped Marcus cover his medical bills.

Note—this isn't a real scenario but it's a realistic illustration to help you understand how Brella helps.

Marcus is a 38 year-old dad of three. He chose the Enhanced Plan to cover his active family.

Marcus's Enhanced Plan

	Benefit amounts
Moderate	\$300
Severe	\$1,000
Catastrophic	\$2,000

Marcus tore his ACL and got a \$1,000 Severe benefit.

In January, Marcus hurt his knee playing soccer and filed a claim in his Brella app. He received a \$1,000 Severe benefit payout because his diagnosis, Torn ACL, is a covered severe condition in his Brella policy.

His daughter got \$300 Moderate benefit

A few months later, his daughter caught a bad stomach flu. She was diagnosed with Dehydration, a covered Moderate condition in Marcus's Brella policy. He filed a claim and received a Moderate benefit payout of \$300.

Marcus used the funds for bills and extra expenses.

Since Brella benefits can be used for anything, Marcus used some of the money to pay medical bills he owed toward his deductible, and the rest helped cover extra groceries to help his daughter recover.

Disclosure Notice – Prescription Drug and Medicare Notice

Important Notice from the City of Snellville About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with the City of Snellville and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. The City of Snellville has determined that the prescription drug coverage offered by Aetna GA 19 HNOption 4000 100/70 Rx2 (High Plan) is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current City of Snellville coverage will not be affected.

If you drop your current prescription drug coverage and enroll in Medicare prescription drug coverage, you may enroll back into the City of Snellville benefit plan during an open enrollment period under the City of Snellville benefit plan.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with the City of Snellville and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact the person listed below for further information. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through City of Snellville changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

Visit www.medicare.gov

Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help

Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

NOTICE OF YOUR HIPAA SPECIAL ENROLLMENT RIGHTS:

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing towards you or your dependents' other coverage). However, you must request enrollment within 30 days after you or your dependents' other coverage ends (or after the employer stops contribution toward the other coverage). In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself or your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

SECTION 125 PRE-TAX BENEFIT AUTHORIZATION NOTICE:

Before-tax deductions will lower the amount of income reported to the federal government. This may result in slightly reduced Social Security benefits. If you do not enroll eligible dependents at this time, you may not enroll them until the next open enrollment period. You may not drop the coverage you elected until the next open enrollment period. You may only make a change or drop coverage elections before the next open enrollment period under the following circumstances:

A change in marital status, or

A change in the number of dependents due to birth, adoption, placement for adoption or death of a dependent, or

A change in employment status for myself or my spouse, or

Open enrollment elections for my spouse, or

A change in dependents eligibility, or

A change in residence or worksite.

Any change being made must be appropriate and consistent with the event and must be made within 30 days of when the event occurred. All changes are subject to approval by your Employer/Plan.

WOMEN'S HEALTH AND CANCER RIGHTS ACT OF 1998 ANNUAL NOTICE:

The Women's Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services including all stages of reconstruction and surgery to achieve symmetry between the breast, prostheses, and complications resulting from a mastectomy, including lymph edema.

NEWBORNS' ACT DISCLOSURE:

Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96) hours.

NOTICE OF PRIVACY PRACTICES FOR PROTECTED HEALTH INFORMATION: This Notice describes how the Plan(s) may use and disclose your protected health information ("PHI") and how you can get access to your information. The privacy of your protected health information that is created, received, used or disclosed by the Plan(s) is protected by the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"). This Notice is available on the web at: www.cityofsnellville.bswift.com. A paper copy is also available, free of charge, by calling your Employer or NFP at 800-994-7429. Please note the participant is responsible for providing a copy to their dependents covered under the group health plan."

GENERAL NOTICE OF COBRA CONTINUATION COVERAGE RIGHTS: On April 7, 1986, a federal law was enacted (Public Law 99272, Title X) requiring that most employers sponsoring group health plans offer employees and their families the opportunity for a temporary extension of health coverage (called "continuation coverage") at group rates in certain instances where coverage under the plan would otherwise end. If you or your eligible dependents enroll in the group health benefits available through your Employer you may have access to COBRA continuation coverage under certain circumstances. Therefore, your plan makes available to you and your dependents the General Notice Of COBRA Continuation Coverage Rights. This notice contains important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. This notice generally explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it. The full Notice is available on the web at: www.cityofsnellville.bswift.com. A paper copy is also available, free of charge, by calling your Employer or NFP at 800-994-7429. Please note the participant is responsible for providing a copy to their spouse/dependents covered under the group health plan.

SUMMARY OF BENEFITS AND COVERAGE (SBC): As an employee, the group health (medical) benefits available to you represent a significant component of your compensation package. They also provide important protection for you and your family in the case of illness or injury. Your plan offers a series of health coverage options. Choosing a health coverage option is an important decision. To help you make an informed choice, your plan makes available a Summary of Benefits and Coverage (SBC) which summarizes important information about any health coverage option in a standard format to help you compare across options. The SBC is available on the web at www.cityofsnellville.bswift.com. A paper copy is also available, free of charge, by calling your Employer or NFP at 800-994-7429. Please note the participant is responsible for providing a copy to their dependents covered under the group health plan.

HEALTH INSURANCE MARKETPLACE NOTICE (a.k.a. Exchange Notice): When key parts of the health care law took effect in 2014, a new way to buy health insurance became available through the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, the Marketplace notice provides some basic information about the Marketplace and employment-based health coverage offered by your employer. This notice is available on the web at www.cityofsnellville.bswift.com. A paper copy is also available, free of charge, by calling your Employer.
