Proclamation

PRO 2025-05

BLACK HISTORY MONTH 2025

Whereas, Black History month is a time to honor and celebrate the rich heritage, achievements, and contributions of African Americans to the history, culture, and progress of the United States, Georgia, and the City of Snellville; and

Whereas, the observance of Black History Month originated from the vision of Dr. Carter G. Woodson, who born to illiterate parents in 1875, became the second black man to earn and obtain a Doctorate from Harvard University in 1912 and;

Whereas, Doctor Woodson dedicated his life to education and history and began efforts to encourage the study of Black History in 1926 and continued to lobby until his death in 1950 and;

Whereas, Black History Month provides an opportunity for all citizens to reflect on the sacrifices, triumphs, and resilience Black people throughout our rich history and;

Whereas, February, the birth month of Frederick Douglass and President Abraham Lincoln, has been established nationally as Black History Month, by Proclamation of Gerald Ford in 1976 and codified into law by Congress in 1986 and;

Whereas, Black History Month affords special opportunity to become more knowledgeable about black heritage, and to honor the many black leaders who have contributed to the progress of our great nation and;

Whereas, I call upon all citizens to join me in celebrating these achievements.

NOW, THEREFORE, I, Barbara Bender, Mayor of the City of Snellville, Where Everybody's Proud to be Somebody, do hereby join with the City Council and the Citizens of Snellville to proclaim February 2025 Black History Month and urge our residents to join together in making this period of rededication to the principles of justice and equality for all people.

Saturday, February 8, 2025

Attendance: Mayor Babara Bender, Mayor Pro Tempore Tod Warner, Councilmember Kerry Hetherington, Councilmember Norman Carter, Jr., Councilmember Gretchen Schulz, Councilmember Cristy Lenski, City Manager Matt Pepper, Assistant City Manager Mercy Montgomery, City Clerk Melisa Arnold, City Attorney Jay Crowley, Director of Planning & Development Jason Thompson, Code Enforcement Officer Johnny Greene, Police Chief Greg Perry, Director of Parks & Recreation Lisa Platt, Director of Public Works David Mitchell, and GMA Member Services Consultant Michael McPherson.

Mayor Bender called the meeting to order just after 8:00 AM, welcomed the participants, then acknowledged Michael McPherson to begin the day's functions. City Manager Matt Pepper presented the list of the City's achievements from 2024.

Council Discussion on Retreat Topics

Public Works

Staff recommended a user fee for garbage service due to the increasing cost. There was good discussion regarding strategy to prepare for the change and to get the information to the residents. A Task Force for the user fee had consensus and **Mayor Bender asked for names from councilmembers to fill out the task force.** Clerk Arnold was asked about timing regarding the property tax billing, to which she said that the beginning of August would give enough time for any changes that need to be made in billing.

A healthy discussion regarding the handling of businesses bringing yard waste to the facility led to consensus on a special fee structure for facility use by landscapers. **Staff were charged with determining the fee amount and the threshold for refuse & debris.**

Team Snellville discussed the new interface and sign-up process for the recycling program. Consensus was reached that recycling by sign-up rather than blanket service was the best option. A postcard with a QR code for registration and a dedicated webpage were discussed.

Police Department, Public Works, Administration

Team Snellville discussed the idea of an Emergency Communication tool or application. Staff spoke with Cartersville who uses one for different messaging with the ability to use in emergency circumstances. City has CodeRed (now Onsolve). Nixle is not for minor issues (such as road closures) otherwise they charge a fee. Discussion surrounding convenience of an application that allowed user to choose the ways they received notification (app notification, text, email, all) imagined different pathways for communications. **Staff will research different options for apps (pricing and ability), including verifying the number of subscribers to Snellville's CodeRed.**

The team discussed the request to remove barriers at City-owned property to allow for greater street access. Due to future staging for construction in the area, it was determined that the barrier at Oak Rd had to stay in place.

Planning and Zoning

An Amendment Application Process visual was presented to the group. Good discussion on how to ensure that the process is followed and what can be done to ensure the process is best utilized (the practice of waiving of first hearings was identified as possible opportunity). After discussion, Council reached a consensus to continue with public discussion during the work session. **Staff will begin sending Council the recorded video from Planning Commission meetings as part of the Planning Commission report.** Planning Commission retention and orientation was discussed.

A discussion of the Planning Commission appointments found a consensus that the current process should continue to be followed.

Code Enforcement asked for the Police Department's old Flock cameras and cost was discussed. Staff gave a presentation on issue properties and requested that a change in the zoning conditions specific to the Snellville Pavillion property be approved. **Staff will communicate with the property owners to address any remaining code enforcement issues.** Once the property owner has addressed these issues, the Council will consider a change in the zoning conditions for Snellville Pavillion.

Welcome information sent with the property tax or to new residents (to be identified, if possible, in partnership with Walton EMC when new service signups are processed) might help to combat unpermitted building projects and the issue of multiple unrelated tenants living in the same unit. **Staff will provide the Council with a plan and language for welcome information soon.**

Parks and Recreation

Staff presented the results of the RFP process for the Community Center. A fiduciary discussion took place regarding the construction and staffing of the new Community Center. **Staff will devise an operating budget for the Community Center and share with Council.**

The team discussed the Baker's Rock Homestead property. **Staff will determine the value of the property.** Councilmember Lenski will explore the property's use as a Homeless Veteran's Village similar to examples in Savannah and Brunswick.

Administration

The team discussed the idea of a curfew for The Grove including police patrols. **Staff researched loitering ordinances and will send the applicable code citations to the Council.** Discussion of public safety at The Grove will continue at a work session.

The need to upgrade current 8" sewer pipe in the downtown area was discussed as capacity on the line has been reached. Discussions with the county and private interests are ongoing to find a partnership solution for the cost of upgrading the sewer pipe.

The Snell Family Foundation has given the City money for public art and agreed to pay for kiosks. **Staff will provide Mayor Bender with receipts for kiosks.** Suwanee Councilmember Linnea Miller will meet with members to discuss Suwanee's process for public art and brainstorm ideas.

Capital needs for City Hall were discussed and the group saw consensus to move forward on HVAC software, rot remediation/replacement, and a more attractive interior paint. **Staff will prepare cost estimates for budget discussion.**

Other Discussion Items

Councilmember Lenski discussed future administrative leadership for the Youth Council, and the Council's desire to change its name.

A local hotel owner asked the City to consider renewing its membership in Explore Gwinnett and agreed to sponsor a portion of the cost. **Staff was asked to provide the applicable revenue figures relating to Explore Gwinnett membership for Council to better understand.**

Discussion regarding Gwinnett County's homestead offset exemption led to a **request for staff to research the SDS agreement to better understand the county assessments on Snellville properties.** The goal of the research is to determine if Snellville homesteads should be getting the offset.

Staff were asked to provide date options for an all-boards retreat.

The meeting was adjourned at 4:00PM.

The Mayor and Council continue to show great synergy in working together as a team. Council and staff have a solid understanding of their roles, coupled with their good communication practices, many goals were set for the coming year for the short and long-term. The GMA Member Services Team is honored to serve the City of Snellville and its leaders in facilitating planning retreats and trainings, and applauds the best practices exhibited by council and staff.

This definition shall not include a place of worship, or non-profit civic associations and facilities in which the predominant activities or events are publicly accessible without pre-invitation, such as operations consistent with that of a restaurant, lounge, nightclub, bar or late-night establishment. “Publicly accessible” means that entry is available to the general public, whether or not admission is free or dependent on payment by the individual attendees.

B. Use Standards

Where a special event facility (indoor) is allowed as a special use it is subject to the following:

1. Use agreement. The special event facility is subject to a use agreement between a private group or individual and the unrelated special event facility business owner/operator.

location is used in combination of uses (i.e. strip center), the parking requirements are the sum of the requirements for each use, and no parking space for one use may be included in the calculation of parking requirements for any other use, except as allowed in Sec. 207-1.3 (Shared Vehicle Parking).

5. Change in occupancy classification: If the occupancy classification of any existing building or structure is changed, the building, electrical, gas, mechanical and plumbing systems must be made to conform to the intent of the construction codes as required by the Building Official.

B. Sale without a license prohibited.

Any special events facility that wishes to sell alcoholic beverages for consumption on premises shall be required to first obtain an appropriate state license in accordance with the laws and regulations of the state and the state department of revenue, as well as a city license pursuant to article of this chapter and comply with all other rules and regulations contained herein.
