Subject: Request for Special Use Permit and Variance for Mural Project

Dear Mr. Thompson,

I am writing to formally request a Special Use Permit for the painting of my building, mural, and a variance for the substrate material for a mural project at Snell's Pharmacy located at 2295 Oak Road in Snellville. The details of my request are as follows:

- **Purpose of Use:** To paint my store and paint a mural on the exterior wall of my building.
- **Mural Dimensions:** 20 feet by 7 feet.
- **Substrate Material:** smooth concrete substrate for mural.
- **Lighting:** Installation of soffit lighting to illuminate the mural.
- **Location:** Mural to be applied to left wall of building near front of store
- **Additional Information:** The mural will enhance the aesthetic appeal of the area and contribute to the community's cultural landscape. It will serve as a vibrant landmark, attracting visitors and fostering local pride. We have had an overwhelming positive response from the community. All safety measures and city regulations will be adhered to during the project.

I have attached all necessary documents to support my application including permit fee.

I kindly request your approval for this permit and variance. I am passionate about contributing to the beautification of our community and am committed to ensuring that this project meets all city standards. I am available to discuss any further details or provide additional information as needed. Please feel free to contact me at work 770-972-0700 or cell 770-713-2914 or michael@snellsrx.com

Thank you for your time and consideration.

Sincerely,

Michael Briscoe
