

## Pool Rules

**Please do not enter the pool area if you exhibit signs of illness that include fever, cough, shortness of breath, chills, muscle pain, sore throat or loss of taste of smell/taste.**

- Indoor showers closed (outdoor rinse-off showers opened).
- Packaged concessions available for purchase.
- All patrons who enter the pool must pay the admission fee.
- Swimsuits are required to swim.
- Children in diapers must wear plastic or vinyl training pants over their swim diapers. There is no exception to this rule. Swim diapers can be purchased at pool for \$1.
- Children 12 and under, must be accompanied by a paying adult.
- Coolers are permitted, but no glass containers are allowed.
- Please Note: Weather or unforeseen maintenance issues will affect pool operations. **NO REFUNDS!** Rain checks will be given only for pool closures. They will not be given for swim delays. You will need to check in with the admission guard to put your name down for a rain check. If you leave without putting your name down then you will not receive a rain check. Rain checks can be collected at the park office within 48 hours.

**Swim Lessons Levels**

**Ages 3 and up - Introduction to Water Skills**

**There are no prerequisites for this course.** This is for swimmers with no swimming ability. The objective of this course is to build students' confidence in the water. They will learn how to blow bubbles, float and kick on their front and back with support, breath control, and get comfortable with underwater swimming.

**Ages 6 and up – Fundamental Aquatic Skills – Part 1**

**There are no prerequisites for this course.** Intro to water safety and assists. The objective of this course is to continue to build students' confidence in the water. In addition to what is learned in Intro To Water Skills the swimmer will learn to: recover to a vertical position from a floating position, proper feet first entries, glide on their front and back and add kicks to their front and back glides. Intro to water safety and assists.

**Fundamental Aquatic Skills – Part 2**

**Prerequisites: Student must be able to in pool without assistance from lifeguard and/or guardian.** Students learn unsupported floating on their front and back. Recover to a vertical position from a floating position, glide on their front and back and add kicks to their front & back glides. Introduction to arms with kick.
